2004 Battling Bass Official Rules

The 2004 Battling Bass Open will be a 1-day tournament to be held on Saturday, May 1, 2004. A 80% prize payback of total entry fees will be in effect. Advertised prizes are based on a 80 (paid) team tournament. Additional cash prizes will be added for each additional 10 teams registered.

The following rules and regulations of the May 1, 2004 tournament and their interpretation will be left exclusively to tournament officials. Battling Bass 2004 will be a one-day tournament. The decisions of the officials shall be final in all cases. **NO OFF LIMITS IMPOSED FOR PRE-FISHING.**

1. TOURNAMENT HEADQUARTERS

Short Stay Naval Recreation Area will be the official headquarters. All participants will depart and return to this location.

2. TOURNAMENT HOURS

Blast-off will be at safe light and weigh-in will be at 3:00pm. A pre-tournament meeting will be held 6:00 am the date of the tournament at the Cooper Pavilion at Short Stay. Team members must check-in at store prior to blast off. Tournament participants who elect to leave early must check out with the tournament director prior to departure.

3. PERMITTED FISHING LOCATIONS

Fishing is permitted on both Lakes Marion and Moultrie within areas specified by tournament officials, and on the Cooper River. Trailering will not be permitted!

4. ELIGIBILITY

Registrations will be limited to 150 boats. There will be no pre-registration cut-off, but all mail-in registrations must be received no later than April 30, 2004. Tournament officials reserve the right to refuse entry and to extend entry deadline. Tournament officials reserve the right to require members of prize winning teams to submit to polygraph testing. Sponsors and their employees, as well as Short Stay and MWR employees are eligible to fish the tournament.

5. BLAST-OFF

Blast-off will be determined by the order in which the official registration form and entry fee is received. Boats may be flighted in 15 minute intervals depending on the number of entries. Live wells and safety equipment shall be checked prior to blast-off.

6. WEIGH-IN

Black Bass will be the only fish recognized at weigh-in. There will be a (6) fish limit per team. Fish must measure a minimum of 12" on the "Golden Rule" with mouth closed. Any attempt to weigh a fish that does not meet these requirements will result in the team's catch being culled, starting with the largest fish first. A dead fish penalty of 8 ounces per fish will be assessed for all dead fish weighed. For late weigh-ins, a 3oz. penalty per minute will be assessed. A team, more than 15 minutes late for weigh-in, will be disqualified.

7. BOATS & BOAT SAFETY

All fishing will be permitted only from the boat occupied at blast-off. No alcoholic beverages shall be consumed immediately prior to or during the tournament. Any violations of these rules will result in immediate disqualification. As this is a team tournament, the entire team will be disqualified and all moneys paid will be forfeited. All rules and regulations of the South Carolina Wildlife and Marine Resources Department will be observed. Life jackets or vests must be worn when the combustible engine is running. Two people must be in the boat at all times.

8. TACKLE

All fish must be caught using a rod and reel. Only manufactured tackle and artificial lures may be used. No use of live or prepared baits will be allowed. (Pork rinds are considered artificial.) No trolling as a means of fishing shall be allowed. A landing net may be used to lift fish from the water. Only one rod may be used at a time.

9. SPORTSMANSHIP

No participant will fish within 50 yards (approximately 12 boat lengths) of another participant's boat if that participant's trolling motor is up and his anchor is down. Any participant who displays poor sportsmanship, violates any of the tournament's rules or South Carolina State fishing laws or boating laws will be promptly disqualified.

10. PROTESTS

Protests must be filed in writing to tournament officials within 20 minutes after weigh-in. Tournament officials' decision in such cases is final.

11. SCORING

Winners will be determined by total-catch weight per team. In case of a tie, the team weighing in the biggest fish will be declared the winner.

12. BIG FISH

An optional Big Fish Pool of \$10 per team will be offered. Moneys will be paid separate from entry fee. **CASH PAYMENT ONLY.**
